Applicant(s): S. Brad Herner

Application No.: 10/727,756

Filed: 12/03/03

Title: Use in Semiconductor

Devices of Dielectric Antifuses Grown on
Silicide

Attorney Docket No.: MA-070-1

Group Art Unit: 2815

Examiner: Jesse A. Fenty

Commissioner for Patents
PO Box 1450
Alexandria VA 22313-1450

July 13, 2005

RESPONSE TO RESTRICTION REQUIREMENT

To the Commissioner:

In the Restriction Requirement mailed June 30, 2005, Applicant was directed to elect between the "first level" claims of Group I (claims 1-44) and the "two or more level" claims of Group II (claims 45-56.) Applicant elects to pursue the "first level" claims of Group I.

App. No. 10/727,765

1

Applicant holds claim I to be generic and believes that eventual allowance of claim I will logically lead to allowance of claims from Group II. Thus Applicant does not intend to cancel the non-elected claims, and will withdraw them from consideration pending an eventual request to consider rejoinder of the non-elected claims of Group II.

If there are any questions concerning this Response, the Examiner is invited to contact the undersigned agent at (408) 869-2921.

Dated: July 13, 2005

Respectfully submitted,

Pamela I. Squires
Agent for Applicants
